Dear Solar Friends

Sub: Solar Tender of 45MW for Residential Consumer in Madhya Pradesh

The Madhya Pradesh Madhya Kshetra Vidyut Vitaran Company Limited has invited bids for 45MW of grid-connected solar power projects in various capacities for the residential consumers of the state.

The scope of work includes the design, supply, installation, testing, commissioning, and operation and maintenance of the projects.

Bids have been invited from eligible bidders in various capacities (1 to 3 kW, above 3 kW and up to 10 kW, above 10 kW and up to 100 kW, and above 100 kW and up to 500 kW).

The tender has been floated for residential consumers of three distribution companies (DISCOMs) of Madhya Pradesh:

- Lot 1: Central DISCOM -20 MW
- Lot 2: East DISCOM -10 MW
- Lot 3: West DISCOM -15 MW

The estimated cost of the project is expected to be approximately ₹ 243 crore (~\$32.04 million), and the **pre-bid meeting will take place on 20-May 2020**, The date for the opening of the tender has been scheduled for 30-May-2020.

Other important details regarding the projects will be made available later, said the tender notice. Earlier, the Madhya Pradesh Urja Vikas Nigam Limited (**MPUVNL**) had **issued** a request for proposal (RfP) to select contractors for grid-connected and off-grid rooftop solar projects within the state. The scope of work for the 25 MW of projects at various locations with and without battery energy storage involves the design, engineering, supply, installation, testing, and commissioning of the projects.

Bidders are also expected to provide insurance, warranty, spare parts, and the operation and maintenance of the projects.

Your's Sincerely

Sanchit Garg - 9415019322
(Secretary- UPSEDA)
